

FIG. 1 is a perspective view of a mechanical assembly 100, showing a first component 150 and a second component 180. The first component 150 includes a base 152, a side wall 154, and a top wall 156. A plurality of vertical ribs 158 are formed on the top wall 156. The second component 180 includes a base 182, a side wall 184, and a top wall 186. A plurality of vertical ribs 188 are formed on the top wall 186. The first component 150 and the second component 180 are shown in a partially assembled state, with the first component 150 being positioned below the second component 180. The assembly 100 is shown in a perspective view, with the first component 150 and the second component 180 being the main components. The assembly 100 is shown in a perspective view, with the first component 150 and the second component 180 being the main components.
